

Benjami Bono

Switzerland · [Portfolio](#) · Benjami Bono · [+41 79 677 25 10](#)

Frontend Developer with **4+ years of experience** currently transitioning to Full-Stack by deepening my expertise in backend. Experienced in React, Next.js, TypeScript, Tailwind, PostgreSQL, and API integration.

I have developed **20+ websites and full web applications** for diverse clients, including a dental clinic, a Michelin-starred chef, an educational institute, local businesses, and even the city council.

I thrive in collaborative environments, bring **leadership and communication** skills from my previous role and I'm eager to keep learning and evolving. Fluent in Spanish, Catalan, and English; Conversational in German, French, and Italian with **proven ability to learn** languages and technical skills rapidly.

Valuable team asset, ready to contribute on-site, and **fully available** for immediate relocation and work.

TECHNICAL SKILLS

- **Frontend:** React, Next.js, Astro, TS/JS, Tailwind CSS, Shadcn/UI, Figma
- **Backend:** Node.js, Supabase, PostgreSQL, REST APIs, GraphQL, Python, AWS
- **Tools:** Git/GitHub, Docker, OpenAI API, Testing (Jest, React Testing Library)
- **Other:** Agile/Scrum, Responsive Design, UI/UX Best Practices

EXPERIENCE

Freelance
Frontend Developer

Switzerland
2020 – Present

- Built responsive websites for diverse clients, including a modern [e-commerce platform](#), a [Michelin-starred chef](#), a [dental clinic](#), local businesses, and the [city council](#).
- Developed dynamic, full-stack web applications for an [education academy](#) and the city's public transport website (in development), leveraging React, Next.js, PostgreSQL, and API integrations.
- Created [Recipe Master](#), a full-stack web app integrating Supabase, real-time features, with authentication, AI-powered nutritional analysis, and responsive UI.
- Followed Agile/Scrum methodologies, collaborating with partners, clients and stakeholders.
- Managed the entire project lifecycle from ideation to deployment.

Dental Barcelo
CEO

Spain
2023 – 2025

- Led clinic's digital transformation, creating custom website and implementing systems that eliminated waiting times and secured **three-week advance bookings**.
- Orchestrated brand renovation and marketing strategy that achieved **200% growth in new patients**.
- Designed inventory and billing solutions that **doubled profits** through resourceful problem-solving.
